EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Daniel Holmader on July 24, 2008.

The application has been amended as follows:

In the last line of claim 1, replace " $0 \leq m \leq 2$ " with " $0 < m \leq 2$ ".

2. The following is an examiner's statement of reasons for allowance:

The instant claims are directed to a catalyst preparation process comprising a step of reaction of a transition metal compound of $\text{MX}_{p-(p+q)}(\text{OAr}_1)_q(\text{OAr}_2)_r$ and an organomagnesium compound of $\text{MgX}_{2-m}\text{R}_m$, wherein the total number of aryloxy group of OAr_1 and/or OAr_2 in the transition metal compound is at least two and m is larger than zero. Since the prior art, De Rege Thesauro (US 6,677,266) cited in the rejections of the previous Office Action mailed January 25, 2008, uses magnesium chloride in the catalyst preparation process and does not teach or reasonably suggest the alkyl magnesium compound of the instant claims, the instant claims are deemed nonobvious and novel over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
